

## Overview

### LATHE OPERATOR

#### DESCRIPTION

Apex International, the world's largest Anilox manufacturer, is expanding its Donora, PA facility, so we are currently looking for additional Lathe Operators. At Apex, we pride ourselves on delivering high-quality products to our customers every single time, and this position is one of the most critical parts of our production process. To ensure our success, the production team must possess certain qualifications, skills, and attitude.

**TYPE: FULL TIME**

**LOCATION: DONORA**

**SCHEDULE: MONDAY-FRIDAY**

**SHIFTS: 11:00 PM - 7:00 AM**

**7:00 AM – 3:00 PM**

**3:00 PM – 11:00 PM**

#### ESSENTIAL FUNCTIONS/RESPONSIBILITIES:

- Load and unload anilox rollers into the grinding machine safely.
- Ability to operate Manual Lathe safely. CNC experience is a plus.
- Operate and use overhead cranes safely.
- Monitor machine for proper functionality.
- Responsible for keeping a clean and safe working environment.
- Must possess the ability to read and understand micrometers.
- Effectively use calipers and tools required for machining.
- Push/transport anilox rolls between locations in a cart. Roll weight can be more than 2000 lbs.
- Comfortable with Metric measurement.
- Must be able to work with tight tolerances as tight as 0.0005".
- Use micrometers for measuring diameters of anilox rollers.

## LATHE OPERATOR
